## A Ministry of Helps

*"For though I be free from all men, yet have I made myself servant unto all, that I might gain the more."*

*1 Corinthians 9:19*

---

June-August 2013

Dear supporting churches and friends,

A lot has happened since our last letter. The work we started in February at Temple Baptist Church and the school finally came to a place that we could move on. Pastor Krachenfels and his wife were able to move into the parsonage and are getting close to being settled in. This took much longer than we had expected, but we wanted this project done so the pastor could concentrate on the ministry there. Please pray for the Temple Baptist Church in Sarasota, FL. We will be going back there soon to visit some of the area churches and spend some time with the dear folks at Temple.

We packed up and headed for Ocala to Memorial Baptist Church on the 10<sup>th</sup> of June. Whenever we can spend time at Memorial Baptist Church with Pastor Mike West, his wife, and the folks there, we do. We love this church. It is easy for us to serve there because this church leads by example. We arrived early for World Wide New Testament Baptist Missions Family Fellowship Week. We accomplished a lot of things prior to the meetings, and then were able to stay for a couple of weeks after the meeting. The month at Memorial flew by. Family Week was again the highlight of our year. We were able to spend some time with the board member pastors and their wives from a dozen different churches, along with the office staff. They all work tirelessly to serve the missions family. We are so thankful for the privilege to call them all our family. There were missionaries from every corner of the globe and invitations from each to come and help in their ministries. We would go to every one of them if we could.

Our last letter stated a need to replace some of our aging tools and equipment. Let me tell you all: THANK YOU! Through your giving, we have replaced just about everything we needed to replace. We have received tools that we needed and some that we never had. One of the tools we have needed from the beginning of going into this ministry was a siding brake. A search for this brake found them to be in the \$1000 range. We do not know about others, but to this missionary, that was an item we could never afford. We had to borrow \$500 earlier in the year to replace our table saw. Just as the Lord always does, He made a brake available to us. How much? Free. We have said it before, but we could not do this without your support.

I want to finish this letter by saying THANK YOU, THANK YOU, THANK YOU. In our next letter, we will keep the words to a minimum and just post some pictures. We would like to set up a web site for pictures and video of the projects as we go, if the Lord would put someone in our path to help us. I can build just about anything, but when it comes to setting up a web site or putting together a new presentation, we do not have a clue. I wish it could be machined or welded together because then we would have it. Thank you for your continued support and your much needed prayers.

In His service, to be a Help,  
Richard and Ann Bibey
