

For though I be free from all men, yet have I made myself servant unto all, that I might gain the more. 1 Cor. 9:19.

Dear supporting churches and friends,

January 2014

We want to start this New Year off first with a thank You. 2013 was a great year for us, your support and prayers put Ann and I in many churches, doing many things and in the right places to see souls saved. To say it was our best year yet in serving, would be a statement we could make, but we know that the Lord will put and continue to put amazing things in our lives as well as yours. Jeremiah 33:3 tells us, he will show thee great and mighty things, and he sure has done that this past year. So as we enter this New Year, we go seeking the Lords wisdom in being in the places he wants us to be, and doing the things that matter most. We want to see lives changed and most of all see souls saved.

Our schedule has already started to fill up. We have five places for work right now at churches that are supporting us. We would love to visit some others in hopes of getting our support up. We just want to be able to serve. Our prayer and we ask you also to pray that the Lord would open some new doors for us this year.

In this New Year you may see some changes in our prayer letters. We will be writing and sending them ourselves. So the spelling may be off, the punctuation in the wrong place, or even worse. The World Wide staff did a great job of correcting our mistakes for years. It has become a task that is time consuming for numerous people. We are just one family of over a hundred, and our mailing list is small compared to some. We fully understand this situation. We want them to be able to spend their time helping churches in getting missionaries to the field. If you are not supporting the office, we would like to ask you to do so. They serve as much as any, one missionary on the field.

We are in the process of working on a new presentation and also a youtube video slide show to document some of the projects thus far.

We are serving the best way we know how, and we have put no constraints on the Lord. Whenever, wherever and however he leads, we will go. We will continue to look for ways to serve, from the physical work to being an encouragement to the local Pastor or Missionary. It's what we do.

In His service, to be a Help,
Richard and Ann Bibey
