

For though I be free from all men, yet have I made myself servant unto all, that I might gain the more. 1 Cor. 9:19

Dear supporting churches and friends,

Wow, another summer has come and gone. We know it has been awhile since our last letter. We have been so busy and we have let it slack a tad. I am going to try and be more frequent this coming year. Well, as most of you know, we are back in Maryland. We still are not sure where the Lord wants us to call "home." We know He has a plan and we just need to be patient.

Ann and I have really enjoyed our time with the kids and grandkids! They sure do grow fast! And we have stayed busy while here. I will give just a short account of some of the work that we have done this summer. We did some remodeling, painting and some other repairs at our home church. We spent the entire month of July working at Grace Baptist church doing concrete work, painting the outside of the church. We also did some interior painting in the Pastors home, stucco repair, electrical, plumbing, putting up new handrails, and many other things.

We have worked on church buses, church vans and many church members vehicles as well. We made an handicap ramp, put down new flooring and many other repairs at Maranatha Baptist Church. This is just a small list of the work that is being done. I like to keep our letters 1 page long.:

We have had many blessings while home as well! Ann and I were able to help lead my Uncle to the Lord! This is something we have prayed for, for over 40 years! We have spent some wonderful and much needed fellowship with our Pastor and his wife. We love them and we are so thankful for them and their love for the Lord.

As I write this, we are waiting to hear from a church in FL to get their building permits so we can head that way to help put it up. We also have some work to do in Sarasota, FL while down there. We would like, if the Lord allows, to be back up here mid October and to be able to spend Thanksgiving with our Family this year. It's been a few years since we were able to do that. Ann and I want to thank each of you for your prayers and for your sacrificial giving! We have been blessed beyond measure and do give God the Glory!!

Thank you again, and please continue to keep us in your prayers. We are lining up work for the winter, in a warmer location. Our largest prayer request is a "place to call home," and we are open to any locations.
