A Letter of Thanks

Dear Pastors friends and coworkers,

We want to wish you all a very Merry Christmas and a Bright and prosperous New Year as we continue to serve our Lord and Savior Jesus Christ.

We arrived in the United States on the 4th of May 2004, and are now returning back to India on the 5th of December. We have visited many of our supporting churches, have attended mission conferences and presented our work and ministry in several new churches.

Deputation Summery

We have traveled approximately 55,000 miles over the last few months, and praise God for keeping us safe on the roads. We are indebted to you in many ways for helping us along the way.

You have given us an opportunity to be with you and preach and share our ministry at your church, and most lovingly and respectfully treated us. You have sacrificially given love gifts and have graciously taken us on for support and also some have promised to take us on in the future for support.

Can words describe our thankfulness?!

Accomplishments and thanks.

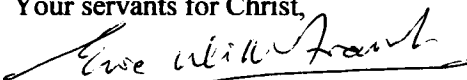

God supplied our every need while we traveled here in the US and we thank you for praying for us and sharing your love and concern for us. We would like to thank you for the following:

5. Thank you for praying for our safety on the road and from accidents that could have easily happened.
