

FROM THE FRANKS (INDIA)

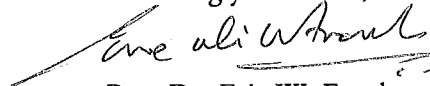

AN URGENT IMMEDIATE NEED

The Building next to where we are staying is now vacant downstairs. It belongs to our landlord. We have a good relationship with our Landlord and his family. There are many businessmen wanting these premises but we need it for the Lord's work. Also, my Chelation bill (for Heart) is outstanding for the past nine months. Our staff is expecting a Christmas Bonus also from us. Another expense that needs immediate care are new tyres for our vehicles. Hence, I am approaching you dear Pastors, Churches and friends with these requests. We need these amounts within 3 weeks. May we request with you to give a helping hand at this time. We will be very thankful to you as the Lord's work will prosper. Waiting on our precious Lord Jesus and you.

Chelation (For my Heart)	\$ 1000.00
Building Advance	\$ 800.00
Christmas Bonus for our staff	\$ 800.00
Tyres for our Vehicles	\$ 400.00
Total	\$ 3000.00

Please, Pray for us. My wife is not keeping well. Her B.P. is high and she keeps getting stomach upsets and a low fever (100 F). We love you.

Lovingly in Christ,

Rev. Dr. Eric W. Franks
