Dear Praying Friends,

Job says, (Job 7:6) My days are swifter than a weaver's shuttle, and are spent without hope. Time goes by so swiftly, when you are in the Lord's work. We are certainly not without hope, for our Lord has given us His Word to assure us and guide us. However, time is rushing by and so many Believers are not aware of their purpose and calling to this present generation. We long to see some more of that good, old fashioned "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

Since we last wrote, we have been in some great meetings!! In New Bern, NC, we saw young people responding to short-term service like the old days. We have seen faith promise goals reached and exceeded!! We have been in some new Churches where there was a sweet spirit and burden for missions.

We preached a revival meeting in Lewisville, NC and two teen-age brothers were saved!! So, there are some great things happening and we are glad to be a part of it. We had a great meeting in Elizabeth City, NC!! We were in Boomer, WV for a full week of mission's conference. That is unusual for the day that we are living in. They have a great Pastor, and quite talented. He plays many different instruments, including the piano. We had a part in a mission's conference over in Lexington, NC. Oh, what gracious, kind and giving people they are!!

We will close out May with meetings in Bedford, VA and Winston Salem, NC. Please pray for safety and response to the preaching. By the way, we have finished our little "in-law apartment" ("out-law apartment"???) . We are moving things in gradually, between meetings.

Pray for the need of building funds for Guam. They should be able to begin building soon. They have finally passed that hurdle of the EPA. If you feel the Lord leading you to give toward this project, please send it to WWNTBM, P.O. BOX 725, KINGS MTN., NC 28086, and "MARK IT FOR LIGHTHOUSE GUAM".

Yours in His Service,  
Dalton & Norma Heath
