World Wide New Testament Baptist Mission

Jan. – Feb. – Mar. 2007

Dear Prayer Partners:

Psalms 100:4 “Enter into His gates with thanksgiving, and into His courts with praise: be thankful unto Him, and bless His name.” This is a precious verse to the Heaths. You remember our December letter gave some health issues for Norma that were being resolved. Praise the Lord she is able to travel with me again and is probably feeling better than she has in over a year.

This past Wednesday (Mar. 28) the silicon oil was removed from her right eye. It was placed there in December to hold the retina in place. Again, our Lord has blessed and the eye is doing well. She will need a cataract removed from that eye in 6 – 8 months from now.

THANK YOU FOR YOUR PRAYERS AND SUPPORT!!! THE LORD DOES HEAR AND HE IS GRACIOUS!!!

UPDATE

We have enjoyed some great meetings in N.C., TN., FL., and TX.!! There are several of these Churches that are running their missions conferences like the old days – with enthusiasm, decorations, several missionary candidates, young people present, and international banquets.

ONE ENCOURAGING FEATURE: some of these Churches are taking their young people on mission trips. This is the key to recruitment!! **Missionaries** that are willing to have young people come and work for a short period of time, **Churches** that are willing to help the young people get to the field, and the **Holy Spirit** anxious to call them!!

If your Church would be interested in sending a group to a field where World Wide New Testament Baptist Mission operates – **PLEASE** contact us and we will put you in touch with a missionary.
