September 2005

Dear Pastors, Church family & Praying Friends;

Shalom in the blessed name of our Lord & Savior Jesus Christ. We trust this letter finds each one of you rejoicing in the abundance of the Lord's blessing. It is always a blessing to share what the Lord has been doing here in the land of India with 1.2, billion people, demographically.

"*Shalom Biblical Baptist Church Ministries*" is marching on by His grace alone in obedience to the great commission (Matt. 28:18-20), given to the Visible Local churches- a mandate & a marching order given to every Church upon this planet Earth.

"*Shalom Baptist Bible School*" is our new innovation to our growing-up orphans & destitute children. We have 30 children learning elementary Theology; English language; Kannada language, the elementary Greek language & Bible History. Bible School is a main source of education for our needy kids of Shalom Baptist orphanage.

"*Shalom Baptist Bible College & Theological Seminary*" God in His providence has sent 28 new students on our way to prepare them in the under graduate & graduate schooling. Most of the students are from Manipure state (Kuki-Tribe).

"*Shalom Baptist Orphanage*" has 70 kids from 5 to 15 Years of age group. Most of the kinds are from Schedule Caste (Untouchable Hindu caste) & tribal groups. Most of them do not know the Lord. Please pray that they would respond to the gospel of Grace very soon.

"*Shalom Baptist Publications*" We the Fundamental Baptist's has published by-lingual Hymn book-an unique work for Bible believing Baptist-Christians. Be in prayers as we publish more Bible-teaching books in Kannada language, for 28 million people

I would also like to take a minute to give you an update on Shalom's present needs. We do recognize that "The Earth is the Lord's and the fullness there of" (Psalms 24:1). We also recognize that we have been given a **stewardship** & are expected to manage what God has entrusted to us with responsibility & wisdom. It is our desire not only to act wisely in the present, but also to prepare wisely for our feature generation. Over the past years, we have taken steps to build a school building, God in his providence has provided the needful funds, for which we are grateful. What we need further is (i) Dormitory building fund. (ii) Church facility building fund. (iii) Newly planted Churches need land (site) & building fund. I would like to ask, if you would make a one time contribution towards infrastructure need of the ministry. I do not know of a better investment in the world than one toward this next generation of young people who are preparing to serve the Lord in a developing country-India.

Our heartfelt gratitude & thanks to one & all for your faithful monthly financial support & prayers. Please continue to hold the rope. We Love you & thank the Lord for you.
