SEPTEMBER NEWSLETTER - 2011

Dear Pastors & Prayer Partners,

August provided us with the opportunity to present our ministry and preach the Word of God in Florida churches. We are so thankful that in these difficult times, churches are still burdened for missions and taking the Gospel to those areas that have very little missionary presence.

Deputation

Along with presenting our ministry to West Africa, I have had opportunities to fill the pulpit for Pastors who have been on vacation or away from their pulpits. What a blessing to preach the Word of God and to see God's people respond to the Spirit of God. We are looking forward to being in several mission conferences in the next few months. While we are anxious to be in West Africa, we understand that it will take some time, and are thankful God continues to provide and give us meetings as we trust Him.

West Africa Bible College

I continue to work with **Global Baptist College** as we develop a curriculum that will accomplish our goal of planting churches and training Nationals for ministry. Dr. Bob Kendall and Dr. David Thompson have committed to assisting us in our establishment of a Bible College in Liberia, Togo, and Ghana. Dr. Edgar Feghaly has already received 13 computers that he will be shipping soon to pastors and students.

Pastors, if you are reducing your library as I have because of the availability of computer software, we could use good books to send to West Africa. Please contact me by phone or email if you have books you can donate, and I will make arrangements to get them. Thank you!

West Africa

I had hoped to go to West Africa in December to meet with several of our Pastors and to discuss our church planting and training efforts, but, due to the cost, I have decided to cancel the December trip. I will be going in April for our Annual Bible Conference, however. I already have a commitment from Pastor Rick Camperson to once again be one of our speakers. *Pastor, if you are interested in traveling to Liberia, Togo, and Ghana the first of April, please contact me.*

Prayer Requests

Pray that we can continue to schedule meetings and see churches partner with us. Pray for the difficult situations in the Middle East and Africa as they deal with the political and religious climate. Pray for guidance and direction as we work with pastors in West Africa to train more men to plant Baptist churches. Continue to pray that we can be a blessing and encouragement as we share our ministry and preach in churches.
