*July 2013 Newsletter*

We finished the month of June with a wonderful week in Ocala, FL for the annual Missions Fellowship Week for WWNTBM! The preaching during the week was challenging and convicting from WW President Danny Whetstone and Director John O'Malley.

It is always a blessing to be with other WW missionaries; meeting new ones and renewing previous relationships. We also have the opportunity to tell the WW staff how much we appreciate and depend on them as key partners in our ministry!

Pastor Mike West, his wife Boone, and all the folks at Memorial Baptist Church did an outstanding job of caring for all the missionaries and guests throughout the week! *Congratulations to Bro. West for being named the 2<sup>nd</sup> Vice-Chairman of WWNTBM. He has been serving on the executive board for many years and now will be more involved. This in no way affects his position as Pastor of Memorial Baptist Church.*

It was a joy to see Josh Town and my good friend Ghassan Haddad from Jordan. Josh will soon be going to Lebanon to learn Arabic, and Ghassan will be back in Jordan where he pastors and is president of The Theological Seminary.

**New Testament Baptist Colleges** of Liberia and Ghana have finalized the student registrations for the start of the first semester to begin in August. We are excited that there will be 44 students in four different locations. We are so thankful for the churches and individuals who have chosen to sponsor students. We have sponsors for 15 students, but still need more. If you are interested in sponsoring a student at \$50 a semester, please contact me by email.

Pastor Kerdoe Dwanyan, in Tappita, Liberia, has everything he needs to get started with the college – generator, TV, and printer. They have 10 students registered for the first semester.

We were so blessed to have the opportunity to fellowship with Bro. & Mrs. Dalton Heath while at New Testament Baptist Church in Kinston, NC. The Heaths served as missionaries in Liberia for many years. It was wonderful to share our burden for Liberia, and listen to them tell how God used them to reach many souls and help train many pastors during their time there!
