Maintenance for Missions, Ministries and Local Churches

December 2003

Merry Christmas!

It doesn't seem possible that another year is almost gone. The Lord has blessed us with many things over this past year. I want to take this opportunity to tell you all how much we appreciate your prayers and your financial support. It is your prayers that continue to open doors for us. Thank you for being a part of our lives.

Praise the Lord! He provided the funds needed to take us to Arizona! God never fails us. His provision is always enough and always on time. I am looking forward to completing the work here in Why and to the meetings we have this month. I hope to send each of our supporting churches some pictures of the things done here in our January letter. Pray for us as we minister here. Brother Dan has gained access to two new villages on the reservation and I will be helping him in these ministries. The Indians here need to hear the gospel so they can be saved. Brother Dan says the work here is slow and tedious but some will hear if you are patient. Please pray for hearts to be open to the gospel.

We were in several meetings in the month of November and ask you to pray that these churches would join you in supporting us. I pray that we were as much of a blessing to them as they were to us. Please continue to pray that our support level will grow. We are now at about 17%. Thank you for all the acts of kindness and for your letters. It is always a blessing to hear from you. Please write or e-mail us anytime.

In His Service,

*Jack, Melinda + Diana*
