Maintenance for Missions, Ministries and Local Churches

June 2004

Dear Praying Friends,

“Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,” It is His power that works in us and for us. The Lord has blessed us beyond our expectations. I am continually amazed at His care for us. His love for us is greater than we can ever understand. Praise God from whom all blessings flow. We have been praying for a travel trailer for some time now. The Lord has provided one at a very good price that is in excellent condition. The Lord’s timing is perfect. We will have the trailer just in time to make our trip out to Arizona. Be in prayer about this trip. There are a few things that we will need to get for the trailer before we go. Please be in prayer that we will have safety on the road.

Our travels have taken us to North Carolina, Georgia and Florida this past month. We have been in six churches this month. Three of these were for missions conferences. I have also had the opportunity to work at two of these churches. The schedule is tiring at times but we know that it is God’s will and plan for us. We call on Him daily for strength.

I would like to ask you to pray for several special requests. The travel trailer will need a generator that will cost about \$900.00. Another request is for additional support. We have gained three more supporting churches in recent weeks and we are thankful to the Lord for these. Funds for the trip to Arizona is still a need. God has brought in some money but with the price of fuel now this is still a request. We have met many missionaries on the road and gas is the biggest expense for us all. We appreciate all who pray and give to meet our needs. You will never know how much this means to us.

Thanks to all who have written to us. We love to hear from you.

In His Service,

Jack + Melinda
