Maintenance for Missions, Ministries and Local Churches

February 2006

Dear Praying Friends,

After spending the first few days of the new year at home, we are traveling once again. We spent some time down in Gulfport, MS helping to rebuild a pastor's home there. We also did some repairs in the church. The devastation on the coast is still very evident. Thousands are out of their homes living in camping trailers or even tents. The church we were in has 23 families that don't have a home. In spite of this they are still faithful in church and out every week for visitation. We saw 3 young people come to know Christ and be baptized one week. God is still saving those who call on Him. Remember that missions begins at home.

Many thanks to all who prayed about my dental problems. I am happy to report that after having some oral surgery I am getting better. I had a fierce infection that was beginning to deteriorate the bone. The surgery helped to clean out the infection and then I had to be on some very strong antibiotics. It is now doing much better and the pain is almost completely gone. My wife and I are praising the Lord for this. However the expense was significant and we don't have dental insurance. Please pray that the Lord will provide funds to help pay these bills.

We will be leaving for Arizona and California in a few days. We plan to visit a supporting church in Arizona and then go on to California where we will be working with a church planter. Please pray that the Lord will give us travel safety and that we will be able to help this pastor. We are helping with work on his home along with work in the church. We also have some meetings in the area. We are asking God to bless all these efforts.

I ask you to please remember these special needs along with our ongoing needs: 1)New supporting churches 2)Ministry opportunities 3)Unspoken requests. We are thankful to the Lord for a new supporting church! God is faithful to supply our needs in His time. We are praying for you all.
