ASSISTING WITH CHURCH PLANTING, FURLOUGH RELIEF AND MAINTENANCE

January 2014

Dear Faithful Prayer Partners,

Hello to all in the name of the Lord. It is hard to believe that we are entering a new year once again. The time seems to fly by. We pray that we will soon be on our way to Nukuoro to spread the Gospel to the people there. We are steadily gathering things that will be needed. Our storage area is getting really full. Thanks to all who are sending things for this outreach. Please continue to pray for the container funds to come in as well. We are hoping to be able to purchase this soon. The cost will be about \$2,000.00.

We have some new travel plans in the next few weeks. We will be visiting Ohio, Indiana, Illinois, and Tennessee. It is not really a good time to go north, but we are glad to share the ministry in these churches.

Our new support is coming along, so we are now beginning to work on the one-time expenses. These will include the container, shipping costs, and our airline tickets. We hope to be able to leave by early fall. This is later than we had hoped, but the Lord knows when He wants us to arrive.

Please continue to pray for the people of Nukuoro. We pray that there will be open hearts and that the church will be established quickly. Remember, there is no Gospel witness on this island. This will be a pioneer work. We know that our past experiences with living in primitive cultures and our building experience will be a great asset.

Praying for you all,
Jack & Melinda

Please keep these requests in mind as you pray for us:

1. Open hearts on Nukuoro
2. Sale of our truck and camper
3. Purchase of an economical car
4. Funds for the container
5. Safety on the road
