August, 2002

Dear Friends,

We have had a busy summer and school has already started here. In July, Ruth Ann went to the state of Yap with two of her speech students to compete in the FSM National Law Day Debate. Calvary Christian Academy had previously won the Pohnpei State championship and represented Pohnpei on the national level.

In the later part of the month, ten nations and states came to Pohnpei to compete in the Micronesian Games. There were sporting events going on for ten days. This gave us added opportunities to present the gospel. We used our newly-added AM transmitter to broadcast sporting events. This enabled us to promote the fact that we had this added service and to gain more listeners. During the half time of basketball games, we gave special five minute gospel programs. Between innings of softball, we had one minute programs. The government owned telephone company provided us with telephone lines back to the station and also onto the internet so people around the world could hear the games live and also the gospel programs that we provided. We were also able to provide live broadcasts for our Majuro station since they were involved in the games and to a missionary station on Chuuk. We were thankful to have Freddie Daniel here for a month to help with this added opportunity.

We are thankful that the couple we helped get into Bible College last year will be continuing into their second year in September. They spent the summer working in one of our supporting churches. We ask for your prayers for Tony and Mel as they continue their studies.

Our Christian school began August 9, and Ruth Ann is once again teaching speech to the 10th grade. Pray for her as she has opportunities to help the students.

We continue with our Bible study on Wednesday nights and preaching in the English service on Sundays as well as broadcasting the gospel 24 hours a day on AM and FM.

Your missionaries in Micronesia,

Dave & Ruth Ann
