December 2015

Dear Family & Friends,

Greetings from South Carolina.

As you know I returned from Pohnpei in mid-March, and I've been busy during these last few months. I needed to do some work on my house as well as get my furniture and household stuff out of storage.

I joined my church, Bethel Calvary Baptist, as soon as I got back and have been active there. I am still looking for a ministry here. I've looked at a few possibilities, but I have not made definite plans yet.

In early August, my sister-in-law, Agnes Barnes, called me and asked if I would have time to go to Virginia and help another sister-in-law care for their sister, Mary, who had lymphoma and was not doing well. I was happy to help Mary and Lois, and I left within a day to help.

I stayed for six weeks and helped Lois care for Mary who was getting progressively worse. The three of us had some good times sharing remembrances. Mary died October 4.

Although I won't be sending regular letters, please continue to pray for me that I will have opportunities here in South Carolina to serve the Lord.

Merry Christmas and Happy New Year!

In His Service,

Ruth Ann
