# NEWLIFE <sup>In</sup> Peru

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS  
SENT BY: FAITH BAPTIST CHURCH .....TAYLORS, SC .

## Winning Souls by the Bucket.

*Behold, the nations are as a drop of a bucket, and are counted as the small dust of the balance... Isaiah 40:15*

Peru's population is approximately 30 million people!

When I pass through city streets, I am overwhelmed by the numbers, sobered by the thought of how they will be lost for eternity unless someone reaches them with the gospel. This is our bucket list.

Won by One

**A sincere THANK YOU goes out for your service of prayer and financial support !!**

✳ *The Father seeketh such to worship Him...*

## “WHAT GIFTS DO YOU BRING ?”

The Sunday before Christmas, we set out again for Antioquia after the morning service. We assembled “bucket boxes”, that were bought and paid for by a new teacher in La Molina Christian School. She was returning to the States only for Christmas, and she had set aside funds to help make a difference and use it to open doors so the gospel could be presented in the rural villages.

Most of you also pass on some gift to people world-wide whom you have never met; Rose Marie and I met these for the first time too through the local doctor and his wife, Gonzalo and Gabriela who we helped after the 2017 flood. During our visits to this rural area, we meet with families on a regular basis but are always looking for more witnessing opportunities, this time to families living in severe hardship situations. We started

out by looking for people who were living alone. Some were not home, so we began giving to families in dire circumstances .

The father of this family needs consistent work. Right now he is out looking for any work that will

provide his family their daily bread. Their ‘day-to-day’ trip to the market may include getting a zip-lock baggie with a few tablespoons of sugar. They may have enough money for hold them over til the next day. We gave enough sugar, rice and cooking oil for three to six meals. More than that, we gave Bibles, which introduces them the Bread of Life and the Living Water that they may develop a hunger and thirst for Righteousness.

Out of the seven visits we had that day, only one lady indicated a relationship with Jesus Christ. {This is just part of her story;} Caroly and her son recently moved to Antioquia from Lima. Except for her son, all of her family have died tragic deaths. While she and her husband were at work, her family was murdered. Her husband died of grief a year after. Caroly's pastor advised her to move far away because the criminals escaped and she knows who they are. We asked her if she has her Bible. She said, Yes, but it's a pocket New Testament. {We have a whole Bible to share with her next week.} We're praying for Caroly to be a witness to the village of God's love and protection.

Another lady is 97 years old and does not read; so why give her a Bible? Because she knows someone who can, and two or more may participate when she asks them to read the Bible to her. How else shall they hear unless someone is sent? Our daughter in

Colorado donated an extensive Flannel-Graph set. Imagine! a 97 year old sitting and taking in Bible lessons like a child. for of such is the kingdom of God. Rosita gave Rose Marie an unforgettable hug when she heard her name. Maybe this sweet lady will soon hear her name read from the Book of Life!

***When the poor and needy seek water and there is none and their tongue faileth for thirst, I the Lord will hear them, I the God of Israel will not forsake them. Isaiah 41:17***

About a month ago we sent an email updating you on our daughters surgery and a few small ministry details. Now that Christmas is a few days away and we have completed the school year, we have taken a few minutes to enjoy and observe some of the seasonal things you're up to in the States. Actually, it's kind of difficult when we're not with our families, but we have extreme joy in sharing with you what we have here. To God be the Glory !!

- John Carlin greatly helped in Antioquia for several months. Now he is in seminary in Spain and it isn't exactly like he thought it would be.
- Last month the high school retreat was held at Word of Life Camp/ Peru. I had more precious opportunities to take students aside and pray and counsel them in a different setting.
- While we were visiting some of you in the States, we mentioned asking for prayer for Rick and Kathy Anderson at La Molina Christian schools. Thank you for praying for them. Kathy underwent cancer treatment before they left and the doctor cleared her for traveling back for furlough. We will miss them at LMCS for the whole year.
- We had a young man named Noah stay with us for several days. He is questioning a life that has no meaning.
- Victor and Solano are actively being discipled.
- Some of the Venezuelans were moving out of Peru due to pressure from some Peruvian groups
- All of our residency papers are in order.
- January 27-31 we are involved in a camp for missionary children.
- Church is growing where we are getting additional communion trays.

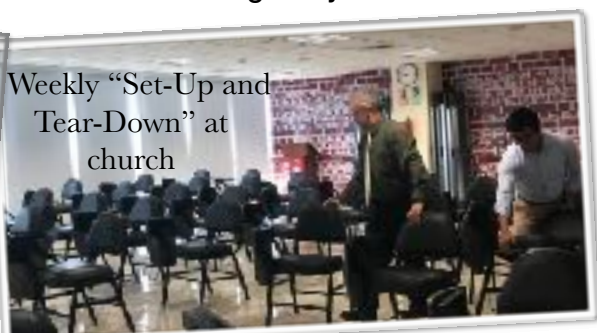

Each of you are ever-loving-partners with us for Christ, to which my wife, Rose Marie and I truly are grateful. Your faithfulness to missions and missionaries are greatly valued. Phil. 4:17
