September, 2012

Dear Churches and Friends,

Merry Christmas and a Blessed New Year!

Luke 2:10

"And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people."

All of Spain celebrates what is called here, "Día de todos los santos", when practically the whole world goes to the local cementary and place an enormous amount of flowers on the graves. A number of us from the church stood at one of the entrances and passed out quite a lot of literature. One gentleman began talking to one of our men about the theme of one of the tracts and requested if we could meet with him to talk. We have met several times at the church in the evening and he has had a constant flow of questions. His name is Antonio. Would you please pray that the Lord would bring him to an awareness of his personal need for salvation.

Amadeo is a young man from the Republic of Equatorial Guinea who has recently begun attending young peoples and services. He is not saved and needs to know Christ. He is already asking David questions. Pray for him. A couple of new families are attending church quite regularly.

We are happy to report that since our operations in 2007 (Al), my PSA is at .05 or technically 0%. I will have another PSA test at the end of this month. I need to be at that percentage for 10 years to be considered free of cancer. Also our hip replacement is doing just fine and I am able to work sometimes 1 day a week at the farmhouse. Much work is left to be done. Following a diet of not taking any kind of headache pills, not eating a fairly large list of foods which give some people headaches, I have practically eliminated my severe headache problems. After 4 months I can try to eat some of these foods and see what might not give me headaches.

Thank you so much for your continued support and prayers.

Al & Helga Bonikowsky
