December, 2013

Dear Church & Friends,

Just a brief note wishing you a very Merry Christmas and a blessed New Year. The church choir will be presenting a Christmas cantata in the morning on the 22nd of December. Our new associate pastor will be bringing a challenge to receive Christ. We are expecting numerous visitors.

2014 will be a year of many changes for us. This time of transition continues to go smoothly and we rejoice in what the Lord is doing for the church.

Ethan and Rachel's little girl, Chloe, make us great grandparents for the first time! We rejoice in that all of our children and their families know the Lord and are serving him wherever they are.

Thank you again for your faithful prayers and support.

God bless,

Al & Helga Bonikowsky
