Furlough 2005

Dear friends,
It hardly seems possible, but we are needing to

think "furlough" again! That word immediately brings a wave of mixed emotions. On the one hand there are family members to see again, churches to visit, regular classrooms for the children, and favorite American delicacies to enjoy. But on the other hand, the jarring jolt to the ministry is unavoidable. The church ministry, the publishing & printing ministry, the intensive institutes, and numerous responsibilities at the Aierdi conference center have to be modified, or in some cases, halted. However, we praise the Lord for good co-workers to help stand in the gap. As always we will stick to a short furlough of about four months, visiting two or three churches each week. With the next letter I plan to include a calendar for scheduling. But if you would like us to report and already have a date in mind (between July and October), it is first come, first served!

The Lord has graciously given us 15 years of ministry here in the Basque region of Spain. So far we have taken three furloughs and have been away from our ministry for about 13 months.

THE VOICE OF AIERDI

By the time you receive this family newsletter you should also have received the first issue of the VOICE, the official English publication of the Aierdi ministries. We trust it will be informative and useful in challenging you to pray for God's work among the Basque.

Thank you for your prayers!

2 We are now praying that God will provide transportation for us in late June for our four months reporting to churches. We'll put on about 20,000 miles mostly in SC, GA, and NC.

Joyfully serving Christ in:

IBEV church planting, province evangelism, missionary training
Aierdi camp & conference center, Intensive Bible Institutes
Printing ministry, CLE magazine & Gospel literature
