Independent Baptist church-planting missionaries in the Basque region of Spain

On January 30th a French man and a Basque lady walked into our morning service. It was the beginning of one of the most remarkable periods in our tiny church's history! On the first of the year we had begun a prayer project in which we were praying daily for the Lord to add to our congregation. 17 Sundays have gone by

since that exciting morning and we have seen 20 first time visitors since then! A few were already saved, a couple have not come back, and at least 9 have made professions of faith! Our attendance has almost doubled! In fact, we are facing a space problem (wouldn't you too if your attendance almost doubled?!) and hope God has a more suitable building in mind for us soon. *Thank you so very much for having a part in our ministry through giving and prayer.* How long we have waited for a breakthrough like this! **We are enjoying it!** In the picture you can see an Ecuadorian brother and sister who were saved a few weeks ago. Their mother is faithful and growing in the Lord.
