Independent Baptist church-planting missionaries in the Basque region of Spain

The Bonikowskys

Dear praying friends,

This will be the last newsletter written before we return for our fifth term in Spain. In it I will focus on some special prayers requests. In the December letter the primary emphasis will be to recount our many furlough blessings. **Thank you for praying!**

Ministry scheduling

In the next few weeks we will begin final scheduling and preparations for the next **Intensive Institutes, Missionary Teen Retreat**, and **youth training** programs to take place at the Aierdi farmhouse.

Return on Nov 30th

We leave for Spain from the Atlanta airport at **18:45 on Nov. 30th**. We should arrive in Madrid about 8 hours later, at about 9:30am, local time.

PRAYER REQUESTS

ADOBE software

Pray for me as I continue learning the **Adobe Creative Suite** software so graciously provided for us by Emmanuel BC. This is a direct help to our Gospel publishing ministry.

Segundo's eye

Segundo is the Ecuadorian man we led to the Lord earlier this year is undergoing **extensive face surgery**. Among other issues, they are fixing the cavity where his left eye used to be. Thank you for praying for him. He is growing in the Lord, but as you can imagine, this is a very painful process.

Final trips

In the next week we will have our last three meetings before enjoying a few weekends at our home church in Lilburn, GA. It will be wonderful to spend some time with **Pastor Sweatt** and our many friends at **Berean Baptist Church**. Pray for us as there are many details to address in preparing for another term on the field.

Aierdi work team

A day after we arrive in Spain, a **mission team** arrives to continue working at Aierdi. Bro. Bob and friends plan to tackle the electrical wiring and floor tiling. Pray with us as we wait on the Lord for the approximately \$5,000 needed for the supplies. At any rate, it looks like we'll hit the road running!

Alvarez' furlough

The day after we arrive, our **coworkers leave for their furlough** . . . a lot is taking place in those few hours! Please pray for their travels over the next six months. We will continue to miss them dearly.
