Preaching Jesus Christ in the Basque Region of Spain

Quartets each week

We have only six weeks left before David heads for college, so we're doing many special things as a family. The boys and I recently started singing a quartet each Sunday morning. It's a lot of fun!

Goierri church fellowship

This past Sunday our congregation met at Aierdi for a great time of fellowship and food. How we praise the Lord for this excellent farmhouse He has given us to help in the church-planting ministry.

Our daily prayer: "Dear Lord of the harvest, please send more labourers to this part of your field."

Would you like to be much more informed about the Lord's work in this Basque region of Spain?! Each of these pictures has at least a dozen "cousins" that would give you a clearer understanding for prayer. *There is much more to tell than can be communicated in these newsletters!* Ask to be placed on our **1001WORDS** email picture list. In the last six years we've sent out over 850 pictures... there's no better way to stay up on all that God is doing here!

Emmanuel mission team

God has sent several mission teams our way this spring. Emmanuel BC, one of our original supporting churches, sent a fantastic team of pastors and youth. Almost all the concrete work you see in the picture they did in a week!

Progress? ... !!!

Yes! There is huge progress being made by the provincial authorities as they clean up the landslide mess. Recently they unburied our van. It's "on display" until we haul it off!
