

# 4th Gospel Postcard Prayer Project-Dec09

After the dust has finally settled, these were the details for this fourth Gospel postcard mailing: 16,714 postcards were sent out to that many homes in 18 Goierri towns. The total cost was 2,313 euros, which at an exchange rate of 1,44, translates into \$3,330. Fifteen different churches and individuals gave financial gifts to make it happen. Hundreds of ministry supporters have prayed. And though we haven't had visitors in church as a direct result YET, we know that many of our friends and contacts received the cards. The sowing of the Word of God never goes out without effect and we trust and rejoice in the work of the Holy Spirit through these paper messengers.

**Final Report  
January 2010**

• Once again, THANK YOU for your part in praying and/or giving so the message of the grace of Christ could go out to so many people.

The word ZORIONAK on the front of this postcard is a Basque Christmas greeting that everyone here understands.
