BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

Highlights

- In October, after Danny's wedding, we were able to report to several supporting churches. Two of the highlights were week long missions conferences at our home church as well as at Brookside BC in Wisconsin.
- In late November, a 17 member mission team came from Bible BC in Hampton, GA. Pastor Regier and his crew did some wonderful work at the farmhouse and ministered spiritually to the Goierri congregation during the weekend services.
- During the first weeks of December, 27,000 Gospel postcards went to that many homes in 21 towns of this region. We praise the Lord that His Word went out clearly and we have no doubt that it did its powerful work in the hearts of many who read.
- On January 17th we had the 34th intensive institute and Joe Bowker was the guest teacher.

One of our yearly highlights is the Missionary Teen Retreat held at the Aierdi farmhouse. This year we had 27 MKs come in from seven different countries, including three from Micronesia!
 We are grateful to the Lord for all the safety and provision so that this fine group of young people could enjoy the powerful preaching and encouraging fellowship.

Pastor Dale & Denise Cunningham were our special guests, and what a fantastic job they did! The Lord used them mightily and even today, three months later, the MKs are still communicating regularly over the theme: Jesus, the Center of my Joy.
 Thank you for being prayer partners in all of these ministries. Your part is very important.

BIBLE BC MISSION TEAM. Pastor Regier and the team did a fine job of covering beams at the farmhouse and hanging sheet rock in the bathrooms. They were also a blessing to the Beasain believers through preaching & singing.

WILMER PREACHING. Every month I am able to give preaching opportunities to some of our qualified men. There are four who are faithful and eager to learn how to preach and teach. They are progressing nicely!

INTENSIVE INSTITUTE 34. Bro. Bowker did a wonderful job teaching through the Epistle to the Thessalonians last month. We had a great group of believers in from various parts of the country. Thank you, Joe!
