Dear Pastors, Supporting Churches, & Praying Friends,

We are so excited about what the Lord has done for us in these past months! We have been able to share our burden in several churches. We have seen people get under the burden for Cordova, Alaska and have had 3 more churches to take us on for support! A special thank you to Cannon Mountain Baptist Church in Pickens, SC with Pastor Shem Durham, Winding Creek Baptist Church in Liberty, SC with Pastor Doyle Finley, and Antioch Baptist Church in Sunset, SC with Pastor Barry Pace. Thank you for your confidence in us in getting the gospel to Cordova.

Lord willing, our video presentation will be ready by March 14'th. If any of you would like to reschedule us so that you can see this, please give us a call at one of the numbers listed below. Also, if you receive our prayer letter by mail but, have an email that we could send it to, please email us at the email address below. Thank you.

Thank you for your prayers concerning the snow storms that hit Cordova in January. The National Guard was called in to help them clear up rooftops and roads. They received around 18 feet of snow in just a short time. Thank the Lord, we only heard of a couple of small injuries. This is very unusual for them to get this much snow at one time.

Please pray for the souls in Cordova. Our prayer is that God will prepare the way for the gospel and hearts will be ready to receive Jesus as their personal Savior. Also for continued safety in travel, and the support needed. May the Lord richly bless you in your work of faith and labor of love.

In His service,

Leslie, Amy, Whitney, Charity & Chasity
