

The Bourdess Family to Cordova, AK

Dear Pastor, Supporting Churches, and Praying Friends,

July/Aug. 2012

Thank you for your faithful support and prayer for us. The sacrifice of your time to pray for us, and the sacrifice of your giving to the ministry God has called us to is touching to us. It is very appreciated and not took for granted.

The Lord has blessed us abundantly in our meetings. He has blessed us with many safe miles as we travel. The Lord is keeping our burden for Cordova fresh on our hearts. It still challenges us to watch our own video presentation! We have seen hearts encouraged and burdened for Faith Promise Missions. Our deputation travels for the last two months have took us all over the upstate and the "low country" of South Carolina. We enjoyed the Missions Revival at our home church in July. A special "Thank You" to Pastor, Dr. Rick Parker, and the wonderful people of the Landmark Baptist Church of Okatie, South Carolina for joining the effort to reach the people of Cordova, Alaska with the Gospel of Jesus Christ. We have had several pastors tell us that we are going to be the next missionaries that they take on. We praise the Lord for this! Good news like that always encourages us in the ministry.

As an update for my mother, she went through about four and a half weeks of her chemo and radiation before they took her off. It was really getting her down. The doctors are letting her strength build back up before possible surgery. Please just continue to pray for her that she would gain her strength, and that God would have His way. As for me, the biopsy of my lymph node came back negative. We praise the Lord for the good results concerning this.

Please help us pray for a full schedule, and that God would continue to burden churches for the souls in Cordova. Pray that God would get us to Cordova in His perfect time. It is an exciting time to serve the Lord!

In His Service,

The Bourdess Family
