Dear Supporting Pastor and Praying Friends,

What a joy and a privilege it is to be in the service of our Lord and Savior Jesus Christ! We are so blessed. The Lord blessed us with meetings in South Carolina, and Georgia to present the work He has called us to. He has blessed us with many miles of safety as we travel.

As some of you may know, we were asked to consider working a job in Cordova. We ask that you would help us pray much about this. If it is the Lords will, we certainly are willing. It will be working for the City of Cordova operating heavy equipment. I have asked advice from my pastor, all my supporting pastors, the people at WWNTBM, pastors and evangelist in Alaska, and many friends and family. We certainly do not want to get ahead of the Lord. Many of the people we asked seemed to think that working in Cordova will open doors for ministry and would allow us to get to know the people there on a more personal basis. Please pray that the Lord will continue to work and orchestrate this situation, and that we would be sensitive to His timing, if this is the Lords will. We would need some support to supplement income, and for a ministry work fund. We have 15% of the support needed and are praying for 25% before we leave for Cordova. Please feel free to contact us if you have any questions or need further information about this work situation. Also, pray that God would direct us in the event of a relocation.

I would like to take the time and thank each and everyone for praying for my mother. She is finally finished with her chemo and radiation. She is facing cancer surgery on November 26. Please keep her in your prayers.

In His Service,
