MISSIONARIES TO THE ISLAND OF POHNPEI

We especially appreciate all the prayers that have gone up for my dad, John Boylston, Sr., over the last few months. Although the cancer took us by surprise, I am thankful we serve a God who has never been surprised, who knows all - even the very number of hairs on our head. Even though Dad's health is rapidly declining, his spirit remains high and as a testimony to God's goodness, God has used this trial to strengthen my parents' relationship with each other and with God in an amazing way. We were thankful God allowed us the opportunity to go down and visit with them. While we were there Dad gave Christa a stack of prayer cards several inches thick to go through for church information, but he made sure she knew he needed them back quickly. He prays for the missionaries represented on those cards every day. We are thankful for his love for God and his heart for missionaries.

## ENCOURAGING ENCOUNTERS

The Bible says in 3 John 4, "I have no greater joy than to hear that my children walk in truth."

One day while shopping the girls started talking with a lady, told her about Jesus, and asked if she was saved. She complimented me on the girls and said that she was a Christian and appreciated the concern of Kierra and Khloe'. What a blessing it was to my heart to see my children making what God says is important to be important in their lives.

## Goals Met and Set

Last February we were able to start full-time deputation and prayed that we would have 50% by the end of the year. Praise the Lord, we now have over 53% of our needed support! We are praying to be on the field this November.

## Prayer and Praise

*Souls to be saved and laborers to be sent*

*The kids received a gift that they had prayed for, but had not shared with anyone*

*God's blessings on the church, Ambassador Baptist, and family, the Kihlengs, that we will be working with in Pohnpei*
