MISSIONARY TO
GRENADA

Dear Praying Friend,

April 26, 2020

In the midst of uncertainties surrounding the impending coronavirus outbreak, God shows His strength and peace. Ultimately, we know God is in complete control. Many meetings and travel plans have been canceled or postponed, but through this time there are blessings. I am truly grateful for the increasing prayers and encouraging words bestowed. Time to rest, study, and prepare has also been instrumental.

God opened several doors by giving me the privilege of being a part of several virtual meetings with churches and individuals. He has also led a supporting church to raise my monthly support and another to begin partnering with me.

Grenada is now being affected by Covid-19 as well, resulting in Lifeline Independent Baptist Church not being permitted to hold services. Unfortunately, unlike here in the US, internet and electronic devices are not common among the nationals. Please pray for each of the people that would normally attend to remain faithful in their walks with the Lord, and for encouragement and wisdom for leadership.

Please pray for God's provision and guidance. Pray for hearts to be stirred in the area of missions. I am truly looking forward to serving Christ in Grenada and reaching them with the gospel. Thank you for your faithful prayer and support in my behalf and for your heart to serve the Lord.

Sincerely,

Rebekah Childers
