

THE DUARTE FAMILY

THIRD GENERATION MISSIONARIES

Dear Prayer Partners,

“That likewise joy shall be in heaven over one sinner that repenteth...” (Luke 15:7).

During the nine day mission trip in Saint Kitts the team of nineteen young men were able to **minister in three different churches on the island, play matches with three soccer teams, preach the Gospel several times, and see the Lord save twenty-one people!** Thank you praying for God to do a mighty work on the mission trip. **He indeed answered our prayers and showed His mighty power!**

God also did a great work in my (Jed’s) heart. He renewed and rekindled a passion within me to witness to lost men and women. He opened my eyes to some of the realities my family and I will face once we live in Brazil as many aspects of life on the island of Saint Kitts are similar to that of life in Brazil. He once again reminded me of the truth that the only thing that will sustain my family and I on the mission field is our personal walk with Him. **Apart from His strength and enabling, we can do nothing.**

God has continued to lead us to many great churches and fill our schedule for 2019. Since our last update, He has given us **three new supporters, putting us over the halfway mark of our needed support!** Joy thrills our hearts to think that at possible this time next January, we will be making final arrangements before moving to Brazil!

We would ask you to continue to pray for the Lord to fill our remaining open weeks this year with meetings. **Would you also pray with us for the souls of Alta Floresta and that The Lord of the Harvest would now be preparing the hearts there to receive the Gospel?**

The Lord hath done great things in 2018 all for which we humbly thank Him. **It is now with great expectation in the Holy Spirit's power that we enter 2019 and trust He will continue to show Himself strong as we seek to bring Him glory.**
