Dear Pastors & Praying Friends,

Thank you for your faithful prayers. Because of them we have seen God bless these last two months of deputation. We were on our way down to North Carolina for a Mission's Conference on June 5th, when the hot coolant light came on in our vehicle. We were about 15 miles out of Charleston, West Virginia and by the grace of God, we were able to crawl into Charleston. We found a repair shop and were told that we had blown a head gasket. Long story short, we had to rent a car and the New Testament Baptist Church of Kinston, and Pastor Tim Daniel, paid for our rental car. The day after the conference, we headed back to Charleston to pick up the van, but was told that the head was not back yet and that we would have to wait another day. I called Pastor Frank Chapman of the Independent Missionary Baptist Church of Alum Creek, who lives about 15 minutes from the repair shop and he invited us to stay with him and his wife. The next day the shop called and he went to pick up the van. The bill was over \$1300 and Pastor Chapman and his church paid the bill. Praise the Lord! We just want to thank both Pastor Daniel and Pastor Chapman for giving to help us in a time of need.

We were on the road for all but six days in the month of June. We have slowed down in July, because Megan is due on the 23rd. We have only one meeting in July and really start back out on the road in the middle of August. We are working hard to fill up the rest of this year, and have booked a couple of meeting in 2010. God has blessed and we were able to see two people ask Jesus to come into their lives in the last two months.

We are excited to see 68% of our support come in during the month of June. We have about five different churches that said they would be taking us on in July. Prayerfully, that will put us past 70% and closer to being ready to leave for the Islands. We ask you to pray with us that God would continue to bring in support and that the rest of this year would be filled up. We appreciate your faithful support and pray that God will bless your work as well.

Until He Comes,

Daniel, Megan, Emily, & Baby Fetter
