Dear Pastors & Praying Friends,

Thank you for the prayers concerning our driving and safety. We are finally home for a little bit. Over the last three months, we have only been home six days, but have finished most of our long drives. Since the end of April, we have driven over fourteen thousand miles. The girls are starting to really dislike the back of the car. Throughout our travels, they have seen old friends and made some new ones as well. We have had great meetings along with some new churches. We are hoping to raise some new support to help with the loss of a few of our supporters.

In one of the new churches, we ran into a large group of Kosraens. It was great to see them getting involved in a good church. When teaching Sunday School, I saw a face that was familiar, but could not place where it was from. Between services, we started to talk and found out that he was the first Kosraen that I had led to the Lord. When we first arrived on Kosrae, he and his family were visiting for a week. That Sunday, they came to our church, and he accepted Christ as his personal Saviour. After they left, we never were able to contact each other, but soon he moved to the States. Through some other faithful Kosraens, he found a good church and has been a part of some discipleship classes. It was great to see him and that he has been growing in the Lord. Please pray for this man, Jeffery Charlie, and his faithfulness. Praise the Lord! What a wonderful God we serve!

We have been hearing great things from Kosrae. The building project on the front of the church is now finished. There is always more work to be done and new projects to start. Pray for the young people. It sounds like their attendance is down, and we hate to see that. God has used them and their faithfulness to be a witness to their parents and family. We are praying that with school starting again that we will see them return. Sounds like we have added some new folks, and services are going well.

Please continue to pray for traveling mercy. God has truly blessed and kept us safe in our traveling. Emily and I will fly out to California in October for some meetings. Please pray for those meetings and for Megan and Lauren back home. Thank you for your continual prayers and support. The churches that we have visited have been a great blessing to us, and we are thankful for them.

Until He Comes,
Daniel, Megan, Emily, & Lauren Fetter
