Dear Friend of the Eric Franks Family,

Your support of the Eric Franks family and ministry is greatly appreciated. It is because of your interest that I wanted to inform you of his medical need that arose yesterday.

Brother Franks had surgery on his ear last week to remove a bone from his ear, and thus alleviate pressure and stabilize his equilibrium. This surgery, done 175 miles away from his home, was not successful. He now requires a second surgery, which is being done as I write this letter to you.

His need for the first and second surgery has rapidly depleted his reserves and left him in a tenuous financial situation. The immediacy of his need prompted me to ask if you would consider helping him. His cost for both surgeries is \$3000.00. Our agency advanced the funds to him so he could have today's procedure.

Would you consider a one-time gift that would help relieve the stress he senses as he recovers from these surgeries?

You may contribute to Brother Franks' Medical need directly by sending a check payable to WWNTBM to the address listed below:
