

# **THE HEATHS' PRAYER LETTER**

## **(July - August - September)**

### **2004**

---

Dear Prayer Partners:

The Apostle Paul, before King Agrippa, made the following statement "Whereupon, O king Agrippa, **I was not disobedient unto the heavenly vision:**" Norma and I can attest to Paul's testimony. We have been faithfully preaching, recruiting, and helping new missionaries raise support. We have traveled over 30,000 miles since last September. We long to see more laborers headed to the fields that are "white unto harvest."

### **NEWS**

1. Lighthouse Baptist Church, Guam, is still in need of building funds. They are still in the early stages of permits and permissions. **PRAY FOR FUNDS.**
2. Norma has had her "ups and downs" physically. She travels with me most of the time. There have been three occasions when she was not able to be with me. Please keep her before the **Throne of Grace.**
3. We have had meetings in North Carolina, South Carolina, Alabama, Virginia and West Virginia. There were several meetings in some of these states. There was good response in the meetings for faith promise. Some Churches increased their giving by 12% and 27%. Those are good commitments.
4. My daughter and son-in-law have a nice home and property with a little 24'x24' storage building on it. Norma and I are renovating that little building into an "in-laws apartment". We hope to be in it by Christmas. We are not able to work on it very much, due to traveling. When Norma is not able to travel, she will be close to Andrea for any help that she might need.
5. Norma and I are now traveling for the Mission. We get into Colleges, Christian Schools, and Churches for recruitment, faith promise conferences, and mission revivals. I will be making short trips to the mission field, also. I plan to go to Guam and help with their building, when they finish out the inside of it.
