Dear Friends,

Dan. 2:20-22

20 Daniel answered and said, **Blessed be the name of God for ever and ever**: for wisdom and might are his:

21 And **he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom** unto the wise, and knowledge to them that know understanding:

22 **He revealeth the deep and secret things: he knoweth what is in the darkness**, and the light dwelleth with him.

Daniel must have lived in a day of "global warming," "changing leadership," and "a lack of common sense and spiritual discernment." He sure does have the insight in these verses, which we need in our nation and churches of today. Even some of our Independent Baptist Churches are listening more to "political correctness" than they are to God's Word. This problem is "dulling" our sense of responsibility to a lost world, and the Great Commission.

UPDATE

1. Norma has done very well, since we last wrote. However, there was a slight set back the middle of March. She had to go in the hospital for a day and night of tests and observation. After a stress test and nuclear imaging of the heart, it was determined that she has a slight "leakage" in one of her heart valves. The Cardiologist did not think it was far enough along to do surgery. We praise the Lord for that!!!
2. On March 25th she had cataract surgery. This was on the eye that has already gone through two previous surgeries for retinal tears. She came through the surgery well and is seeing much better. Not sure if this better eyesight will make me look better or worse in her sight!!
3. She is facing the possibility of another type of surgery in the near future. She will be seeing her Doctor for a consultation this week.
4. Most of our meetings have been scheduled in Eastern N.C., due to her need for me to help her with her medical situations. Our bodies were designed in the beginning to last forever, but Adam's fall changed the durability. However, through the Second Adam (Christ), we will get a new body and a new name!!
5. Continue to pray for the building in Guam (Lighthouse Baptist Church). They are finishing out the interior, and all that remains is the landscaping and paving.
6. **IF THE LORD SHOULD IMPRESS YOU TO HELP** with a financial gift to this work in Guam, please do so as soon as possible. Bro. Hurst is due a furlough, but wants to get the work finished before he leaves.
7. Pray for our meetings. There will be meetings mostly in North Carolina.

Yours in His Service,
Dalton & Norma Heath
