Luke 2:7: "And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger;...  
Rom. 8:29b ..... to be conformed to the image of his Son, that he might be the firstborn among many brethren."

Dear Friends,

We praise the Lord for another year of blessing and ministry. We, also look forward to the celebration of our Lord's birth. This is the time of the year, when you enjoy family, friends, food, and the exchanging of gifts. Norma and I wish you the very best during the Thanksgiving season and the Christmas Holidays. We realize the outlook for America is still not that great, but the up look, in anticipation of His coming, is great!! So, it is onward and upward for His glory.

We are combining our Christmas letter with our Sept. – Oct. – Nov. report. The Lord has been good in our meetings and with safety in our traveling. We had a great time with the Bensalem Baptist Church on September 1st. What a great ministry they have under the leadership of Pastor Bruce Love. They have several Liberian believers in their church. We also had a meeting at Faith Baptist Church in Delco, NC. These dear folk are looking for a Pastor, However, they just called an older Pastor, as their interim.

During October, we were at the Roanoke Island Baptist Church in Manteo, NC. It is always a blessing to be with these sweet folk. Then we had a meeting that canceled in Virginia, not because they wanted it that way, but because of being in the middle of a building program. Then on the last Sunday of October, we were at New Hope Baptist Church in Winston Salem, NC. What a blessing. They have a multi-cultural ministry. Pastor Chuck Carver and his wife have been faithful in reaching their changing community.

November 1st found us at Ambassador Baptist College's annual Missions Conference. The Lord gave me the opportunity to speak in the conference along with Dr. Les Frazier, and Dr. Danny Whetstone. What a week!! This student body is actively involved. Then we went back to Roanoke Island Baptist Church for one Sunday. That next morning, it was my privilege to speak in a Pastor's Fellowship, at my home church in Kinston, NC. So, we have been busy for our age.

Norma's heart test went well and she was placed on medication, that seems to be doing the job. Pray for her eyes. One of them has been having some difficulty and causing the other not to focus right.

Please continue to pray for Dave Arthurs and his treatment for Leukemia. The new traditional and alternative procedure seems to be working.

Merry Christmas & Happy New Year,

Dalton & Norma Heath
