Luke 21:28 "And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."

Dear Friends,

Since the first of the year, the world has been racing toward absolute chaos. They are looking for the man that can solve this chaotic morass, BUT they are not looking to Him that is the Prince of Peace, the Mighty God, the King of Kings, and Lord of Lords. The world is looking for "that man of sin", the anti-christ. DO NOT let world events discourage or dissuade you from giving and serving our Precious Lord. In Luke 19:13 "And He called his ten servants, and delivered them ten pounds, and said unto them, Occupy till I come." We have a "dispensation of the Gospel committed unto us!!

Thank you for your giving and your prayer support. We could not stay in the work without your faithful support.

January. The first of January, my family physician did not like what he saw on my EKG, so he sent me for a stress test. I had about two and a half weeks before the test, so I used that time "to study for my test" on my daughter's treadmill. When I went for "the test", I passed. I stayed on the office treadmill for 8 minutes. The nurse said that was good for a 73 yr. old man.

We had meetings in NC and VA during January. It was very cold climate wise, but very warm spiritually in these meetings. I am greatly encouraged at the focus of our Churches on Missions and giving!!

February was a slow month for meetings this year, because of a couple of cancellations. No doubt the economy and the weather had much to do with this. We did attend a Pastor's Fellowship, which is always a blessing and a source of new contacts for our Mission. We attended two revival meetings during this month: one in New Bern, NC at Calvary Baptist Church, where Dr. Ron Comfort was speaking; the other, at my home church, New Testament Baptist Church in Kinston, NC, where Dr. Chuck Kempf was speaking. Missionaries need revival, too!!

March. What a busy month!! We were in Elizabeth City, NC with that great ministry. Then, on to North Augusta, SC for the funeral of a dear friend and former pastor, Brother Bill Reese. He will be greatly missed, but Lakeside Baptist Church has a fine man, chosen by the Lord to replace Brother Reese. In fact, Brother Reese was instrumental in introducing Brother Tad Marshall to the Lakeside folk. Then, Norma and I traveled to Pine Bluff Baptist Church in Albany, GA, which was a new church for us. They wanted to honor two veteran missionaries, and we were chosen, along with the Leland Crotts family. What a great group of folks, under the leadership of Brother Keith Smith. They honored both of our families, even though we felt so unworthy. The last stop in Georgia was at Gilead Baptist Church in Macon. We knew the pastor, but the people and the church were new to us. Oh my, what a five days of blessing!! The Lord moved on hearts for salvation, rededication, and giving to Faith Promise. They even voted to support this old couple. We closed the month out with meetings in New Bern and Holly Ridge, NC.

Brethren, pray for us,
Dalton & Norma Heath
