

CHRISTMAS GREETINGS

FROM

Jack AND Jonnie Hunt

Dear Co-laborers in Christ,

November-December 2001

Happy Holiday greetings from New Bern in the Wonderful name of our Saviour and King of Kings, the Lord Jesus Christ! "And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth." John 1:14 Thanks be unto God for His unspeakable Gift, surely the greatest that any of us have ever received!

Did you ever wonder where the year has gone? It seems like we have Christmas three times a year now....ugh, we may be revealing our age. Looking back over the past year we can surely rejoice in the goodness of our Lord to us, and to the missionaries we work with and serve.

This season is just really special to us this year as we contemplate all our wonderful Lord has graciously done, and in the light of, or should I say darkness of September 11th. It makes one so much more appreciate what we have in family, friends, and health. We have surely never appreciated you, our supporters more!

Praises: > Both of the missionary planes that were here are now completed projects, and we are building an inside maintenance office/storage and half-bath in the northwest corner of the hangar. It is very near completion. > Tore & Debbie Mitchell have a new baby girl, Julia Lynn. She is a keeper! > Missionary Richard DeVall, Bolivia, came for a few days of recurrent flight training, and we had a fruitful time and good fellowship.

Prayer Requests > For our lost neighbors & family members. > Our part time mechanic, Fred and Rene McClintock also had a baby girl just a few days after the Mitchells, but little Ellie had many birth defects and only lived four days. They very much need our prayers.

> Funds for upgrades for our flight simulator... two instrument flight students coming soon. > \$28,000 needed for import fees to allow Venezuelan BIMl Cessna 206 into country... it is ready to go now. > The finishing of work on and sale of our Wilmington home.

Because He first loved us,

Jack & Jonnie

God bless you dear folks in the Home Office? We thank you and we thank the LORD for you and all you do for us! You are a blessing!
