

Merry Christmas from the Hunts and Mission Aeroservices

Dear Co-laborers in Christ,

Sending warm Christmas greetings from our hearts to your hearts!

“And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.” John 1:14

What a blessed time of the year as we celebrate the two cherished holidays we know and celebrate as Thanksgiving and Christmas. We truly have so many blessings for which to thank our God, He who loads us with his benefits. All of you dear folks are so appreciated for your faithful prayers and support as we serve Him here at Mission Aero.

Christmas is so special, and just to consider that the Creator of the universe became Emmanuel... God with us... for the express purpose to shed his blood as the Lamb of God that would pay not only our sin debt, but the sin debt of the entire world. What a story we have to tell to the nations! We cannot comprehend that completely, but thank God we can accept it and enjoy it to the fullest.

We have been very active with aircraft maintenance here, and I had the privilege to “rescue” a fellow missionary’s airplane stranded due to a starter problem at their refueling stop. I flew a new starter over the next morning and they were on their way to Florida. I have another flight student, Bro Robert Strom, coming in early January for recurrent training in visual and instrument flying, as well as getting experience in his new aircraft (as in new to him). It is actually a 1968 model.

The outlook in this land is not very good these days, but there is a “Land that is fairer than day...” as the song goes. So, keep looking up and keeping on till the shout. The uplook is far better than the outlook!

Again, “Merry Christmas to all, and to all a fruitful and prosperous New Year.”

Our Love in Christ, *Jack + Jonnie*
