WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

Dear Co-Laborers in Christ,

April-June 2014

Greetings from Canaan Airbase in Jesus Wonderful Name!

"For all the promises of God in him are yea, and in him Amen, unto the glory of God by us." 2 Corinthians 1:20 Amen... a very unusual word... however, it is transliterated into Hebrew, Greek, Latin, English, and many other languages and has become a universal word. It has become to mean "surely" or "truly", an expression of absolute trust and confidence. To God's promises our response is "Amen"! It is even a title of Christ Himself in Revelation 3:14. He is the creator of all things, the author of our salvation, and thus our eternal Amen! This strong affirmation of truth closes out the entire Bible in Revelation 22:21 with ... "The grace of our Lord Jesus Christ be with you all. Amen!"

What a joy it is to be serving our Lord here with Mission Aeroservices! The workload is crushing, but the presence and strength of the Lord is enabling. At present we are working on the pressing things, and having to let some other things wait. So again pray that the Lord "will send forth laborers into this ministry" as that's His choice... This is His ministry. I have no desire to attempt to recruit helpers, because I just might succeed "in calling" someone that the Lord would not choose. I sincerely want Him to choose, and I believe that He will.

We just finished the annual inspection of Missionary Dave Crispell's Cessna 172RG. I overhauled the landing gear motor that powers the landing gear hydraulics, and we replaced the windshield. See windshield photos below:

Ready to repaint glareshield & brace

New windshield project finished

< OVER PLEASE >

There are two students planning to come for flight training soon. Missionary Michael Goosman is going to northern Scotland, namely to the island of Orkney. He and his family will establish a base church, and then reach out to surrounding islands by air. They had such a blessed survey trip to Orkney; I wish I had space to tell about it. He will be coming in July to begin his basic flight training. Then in August, Bro. Earl Malpass, veteran missionary in Alaska, will be here to train for his Certified Flight Instructor license. I am really looking forward to the training with these two choice servants of the Lord!

Prayer Requests: > Pray for a co-laborer or co-laborers as the Lord so chooses. > Uphold our neighbors and three Michaels that we are witnessing to for salvation. > Pray for the repair of our 40 year old Int'l 674 tractor with which we cut the airfield and adjoining fields... It has serious problems. Water is mixing with oil, and it could be a head gasket or a cylinder sleeve. We desperately need it to be operational. > Jonnie has had a terrible month long bout with bronchitis, is slowly getting better, so please pray for her as well. > It is 'Meeting-in-the-Air' mission aviation conference time next month in Oshkosh, Wisconsin, followed by the Wings as Eagles 'Flight Camp' the following week. Remember to pray for safety and wisdom for the flight training schedule here, and also in Oshkosh. > Lastly, please pray daily for our nation, and its leaders. So many of them need the Lord. And all of them need to respect the Constitution, the Bill of Rights, and the principals that our great nation was founded upon. Then be absolutely sure to vote for those with like principles this November... without fail.

The outlook is not good, but the uplook is wonderful... So...

Keep Looking Up, and Keep on Keeping On 'Til the Shout!

Under HIS' Wings, *Earl + Jennie*
