WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

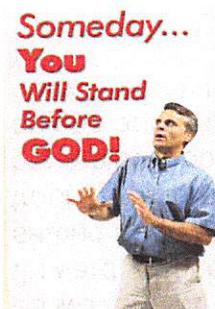

Dear Co-Laborers in Christ,

AUG - OCT 2015
missionaero7@gmail.com

Fall Greetings from Mission Aeroservices and the Hunt family!

"The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth . . ." John 3:8a

In our last prayer letter we started by saying "So many people today find it hard to conceive that they are sinners, and find it even harder to consider that one day they must give account to a Holy God". Well, we recently got a really interesting parallel to that statement. On a recent training flight with a student, Bro Ron Grubb (our song-leader here at Calvary Baptist Church in New Bern) who is also a pilot happened to show up at the Coastal Carolina Regional Airport, and we motioned for him to come go with us. It was breezy that morning, and more so as we had the engine idling already as he came out to the plane, I pulled my seat forward, opened the door, and allowed him access to the back seat. We were all settled in and buckled in with the door latched when Bro Ron noticed a gospel tract blowing around on the ramp off to the side of the plane, and stated "It must have blown out of my pocket as I was getting in". Rather than shut down the engine and go to recover it, we prayed that the right person might find it. A few days later while speaking with the manager of the FBO (fixed base operation), a highly decorated retired Air Force Colonel also named Jack. He said "You won't believe what I found yesterday when I went to my vehicle to leave". At that time he held up a gospel tract entitled 'Someday... You Will Stand Before GOD!' He continued "it was right at my feet, and I felt I had better pick that up and read it. I am going to keep this, and read it some more. I believe it was put there for me." The wind can do good things! There is a possibility that he only has a head knowledge, however not a heart knowledge. Please join us in prayer for him.

The Tract

WAE Flight Camp - Engine Test Stand - Jack & Camper

NEWS: > We again had a wonderful, fruitful Wings as Eagles Flight Camp. Thank you LORD! Below is what some of our flight campers expressed:

"Wings As Eagles Flight Camp has been such a blessing—from the flight training, to the food, the one-on-one help that they give, and the hands-on training. They also teach in the missions classes the reality of what it takes to fly for the Lord. Thank you for your support in my life." - D.C.

"This year I was able to get courage and strength that I needed very much. The missions classes and the preaching were very helpful and encouraging. The night flying was a really great ending to the camp week! Thank you very much for a very great camp week overall." - M.Z

"Being in this camp has really opened my eyes to the need to reach those in remote areas with aviation. Thank you." - S.K.

> Missionary Michael Goosman, Orkney Islands, Scotland is back from the deputation trail to continue his flight training. > Bro Robert Strom has repositioned his airplane to be based here at Canaan Airbase, Bro Seth Canady is fully capable in the Cherokee Six and is now sharing the flying of Bro Byron Foxx with Bro Strom. > Missionary Ryan Thompson plans to come mid to end of November to start his flight training, he lives on the island of Barbados and works through the Caribbean, he and his wife are expecting twin boys, and plan to come to New Bern soon after they are born.

PRAYER REQUESTS: > A HUGE PRAYER REQUEST: Mission Aero is in need of a camper or motor home to place on the airport for housing for some of our students planning to come for training soon. It could be for as short as a couple of months, or as long as till Jesus comes, or somewhere in between. We will not look a gift house in the mouth. (pun intended) Please make it a definite matter of prayer! > Please continue to pray for our neighbors and friends... for Brad and his wife for salvation, other neighbors and business acquaintances as well. > Pray for the staff needs here at Mission Aero. > Pray for revival in all of our churches; we so desperately need a vision for the work God has given all of us to do.

KEEP LOOKING UP! IT COULD BE TODAY!

Under HIS' Wings,

Jack + Donnie
