WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

Dear Co-Laborers in Christ,

AUG - OCT 2016

missionaero7@gmail.com

Greetings from New Bern, NC as we serve our Lord and Savior Jesus Christ! Well, fall should be in the air, but summer still lingers on here!

'My soul, wait thou only upon God; for my expectation is from him. He only is my rock and my salvation: he is my defence; I shall not be moved. In God is my salvation and my glory: the rock of my strength, and my refuge, is in God. Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us. Selah.' Psalm 62:5-8 My friends, It is so evident that we need to be looking up in these difficult days. If we didn't know the Lord and his care our hearts would be failing us. We must contend for the faith! Stand strong my people, He could come today. And if not today... stand strong and occupy!

It was a great privilege to again attend the Wings as Eagles Flight Camp in Oshkosh, Wisconsin during the first week in August. We had thirteen young men of which one was from Mexico, one from Canada, and one was a Navajo Indian. The rest came from all across the United States. I flew up with two of the campers, picking up Hunter Green in Asheville, NC. He is the grandson of Dr. Bob Green, BIMI Aviation Director. We then stopped in Terre Haute, IN to pick up Malachi Kasper, and on to Oshkosh. We had a great time of fellowship with these young men seeking God's will for their lives. The technical aviation classes and the spiritual missions classes gave all of them a real challenge. We rejoiced in the spiritual growth in evidence for which we gratefully thanked our Lord!

And then along came Hurricane Matthew last week. We lost a pine tree that fell

also two smaller trees that were dead also fell onto the road. We were so thankful that we did not lose any large pines, or suffer any damage to aircraft, hangars, or homes... just a couple days of cleanup. Eastern North Carolina all around us suffered catastrophic flooding of record proportions. We had 26 souls drown and go out into eternity. We pray they were ready to meet the Lord! He was so gracious and protective of this ministry and us. Hwys I-95 and NC-70 are still closed in places, and a few airports are, or were, closed due to flooding.

We just finished an annual inspection on Bro. Bob Vallier's Cessna 150. He is kind enough to keep it here at Canaan Airbase for our use in dual flight training. We are staying very busy with aircraft maintenance, airfield upkeep, and some flight training.

**PRAYER REQUESTS: > PLEASE REMEMBER THAT HUGE PRAYER REQUEST:** Mission Aero is in need of co-laborers... It is good that we have had inquires by three men willing to come if the Lord so leads. Please... again pray that the Lord would thrust forth His choices to be a part of the Mission Aero ministry here. (Matthew 9:38) > Please remember that we could use a camper or motor home to place on the airport for housing for some of our students planning to come for training. It could be used for as short as a couple of months, or for as long as till Jesus comes, or somewhere in between. > Please continue to pray for our neighbors and friends... for Brad & Elaine, for Bill & Rosie, for Bob & Alana, for Frank & Carol, and for John & Beth for their salvation... and for business acquaintances as well. > Again, we ask you to join us in prayer for revival in all of our churches; as we so desperately need a fresh vision of why God has left us here on this earth. > We must be in fervent prayer for our nation... America as we have known it is going to be a thing of the past, and its getting that way quickly... Washington is not the answer, God is! Remember, we as God's people must vote this time. It has been said that only 25% of the 'evangelicals' voted in 2012. We must vote for a candidate that will *best* preserve our convictions and our morality in this election. Our US Supreme Court is at stake, and as the court goes, so goes our religious liberty, and the health and vitality of this great nation. We may not be real excited about either candidate for president, but voting is the blood bought privilege and responsibility for all of us. We may only be able to vote for the **lesser of two evils**, but if we stay away on Election Day we will then be the **third evil**.

**KEEP LOOKING UP! PRAY FOR SOULS TODAY!**

Under HIS' Wings,

*Jack + Donnie*
