

Merry Christmas

From the Hunts and Mission Aero services 2017

Greetings from New Bern, NC in the Wonderful Name of our Lord and Savior Jesus Christ! What a precious time of the year is the Christmas Season! "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." Romans 6:23; "Thanks be unto God for his unspeakable gift." 2 Corinthians 9:15 This is the season to reflect on God's goodness in a clearly focused manner. We have been reflecting on these verses and many others. God's Gift to us was His Son; Jesus' gift to all that call upon Him is eternal life. What a blessing! We are so appreciative of our position in Christ that is not of us, but of God's matchless grace; His' imputed righteousness which without none will be able to stand before Him! Are you saved?

We are also reflecting on you, our precious co-laborers in Christ that stand with us in faithful prayers, and in support that has enabled us to serve here at Mission Aero for some 43 years. We know, we can't believe it either... Does Christmas come three times a year now? Where did the year 2017 go? It seems that summer was just a few weeks ago. Without God's enduring goodness, grace, and strength we would not be here serving our missionaries who use an airplane in their ministry around the globe. Thank you so much for your faithfulness to us.

We have been busy with maintenance on five aircraft, two flight students, visiting a church in Pennsylvania, as well as other duties such as requalification as a flight instructor, preaching in nursing home ministry, our normal paper work with our mission and for Mission Aero services, etc. Missionary Earl Malpass is a great asset to have in our area and he just finished the Annual Inspection on our Cessna 150 trainer. Pictures will be included in our next prayer letter.

Prayer Requests: > Pray with us for our neighbors that need salvation, and one couple that say they are saved but not attending church anywhere. It seems many folks are just.

<<< OVER >>>

"For unto you is born this day in the city of David a Savior, which is Christ the Lord." Luke 2:11

not interested in spiritual things... because they do not see themselves as being lost. Only the Holy Spirit can change that. We sure entreat Him to fill us with His power and use us in these perilous times... these last days.

> Our little great granddaughter, precious Mollie is still a very sick little girl with Gastroparesis as well as infected ears that have tubes installed some months ago. Also, she has very swollen infected tonsils. She had an Endoscopy this morning, and hopefully we will find out something next week after the results are studied. When the Gastroparesis flares up she throws up her undigested food. This started a few months ago when she had a bad virus and very high temperature. This is very hard on her parents as they care for her so well, and hate to see her suffer so. > Please pray for the Chris Holiday family on deputation, and the Nate Holmes family as they plan to move to this area next year to work primarily with Bro. Earl Malpass and Mission Air Care, but also with Mission Aero. > Pray also for Bro. Jimmy Rouse that is here assisting with the work and is currently in Aircraft Maintenance School in Havelock, NC.

**Wising you all a very MERRY CHRISTMAS and a most FRUITFUL
NEW YEAR !!!**

UNDER HIS' WINGS,

Dad + Jonnie
