O magnify the Lord with me...
Psalms 34:3

Dear praying friends and families,

August 2020

Thank you for your continued prayer and financial support throughout these difficult times. My sending church pastor, Dr. Michael Rouse was saying on Sunday that wearing masks is our new normal and will be for quite some time. Thankfully, masks are pretty easy to find, and I have a box of them in my car. Because I travel so much, I want you all to know that I am being very careful. I know that many are concerned about getting COVID-19. I wear face masks, wash my hands and sanitize pretty much everything that I touch very regularly.

Blessings!

Since my last prayer letter, I have had 1 new church and 1 new individual take me on for support. Praise the Lord! My support level is now at a bit over 30%.

Furlough Update!

I am back on the road and have been traveling since May.

It's been exciting to see the joy of the Lord in the churches I've been able to be in over the past 3 months. Everyone is very happy to be back together worshipping and fellowshiping in-person.

I am still getting a few cancellations for this fall and am working on trying to fill those dates with meetings. Please pray for our church community. There are a few states that are still giving churches

a difficult time and as a result, they are not able to meet together and see nothing changing in the near future. I will be heading west on September 3 and will be in Arizona, Wyoming, Oregon, Canada (if they open the border), South Dakota, Montana and Idaho until the middle of December.

Ministry Update!

I wasn't able to go to Germany in August as planned, because of COVID-19 and the travel ban in the European Union. Please pray that I'll be able to get the ticket money back or that they'll give me a travel voucher for next year.

I have been asked to make a few 'Working with Children' training videos by a couple of churches and am going to start working on those beginning this week. The videos, once completed, will be loaded onto my ministry website which will be up and running within the next few weeks. I'm not sure how to do all of that yet but I have a great brother in law (Missionary Keith Klaus) who is amazing with all of that kind of stuff and is always willing to teach/help.

If any of you would like this kind of training in person, please let me know. I'd love to be able to serve in this way. Please understand that I am just beginning to work on these trainings and some of them may be grouped together in one training rather than being separate.

Training Topics:

- Child Abuse
- Teaching Bible to Children
- Discipline in a classroom
- How do I keep the children's attention?
- Storytelling
- Child Safety
