"Shalom Baptist Orphanage" Is pupil faith school.

God in His providence placed us with **80 destitute & orphan kids**. We the staff of S.B.B.C.M. are The Builders of Bridges. The beneficiaries of our vision are, total orphans, destitute & street children's who come from insurgent segments. We have **Mentoring Programme** for such needy children in putting a whole new spin to the concept of enablement. Would be pastors & their wives who serve as their mentors based on shared academic & biblical theological interests.

The programme ideally initiated at the start of 8th Grade, after completing education at "Shalom Baptist Christian Academy" going right up to class twelve.

On going "Mentor Pilot Programme" linked to B.R.E (Bachelor of Religious Education) & B.Th. (Bachelor of Theology) degrees in the bible college level. In a path braking move that is given a new spin to the biblical theology system. This helps each student to improve the elements of Bible knowledge, Greek; Hebrew & English languages, besides Kannada language (state language) & communication skills.

Our goal is to transform the lives of needy children. We are looking at **80 children** to the mentoring programme in the academic year 2010 & 2011. Be in prayers for this unique ministry of yours. We combine the biblical ethical values & moral discipline that accompany **faith-education**.

Let The Kumar's commend you for your faithfulness in supporting financially. Thank you so much for your support. We assure you that we are praying for each one of you in our intercession. Closing with love & gratitude.
