January 2011

Dear pastor; church family and supporting friends,

Shalom and greetings from the saints of God our Lord Jesus Christ here at "**Shalom Biblical Baptist church Ministries**". As the year 2011 begins' we reflect on **God's blessings** and **hurdles** and looking to HIM for defense and provision in the days ahead. This ministry is the lord's ministry, and by HIS grace alone this ministry will continue until the trumpets sound in the air- to be in "obedience to the grate commission" which is to plant new testament; Bible believing (sola scriptura) independent, visible, autonomous, pre-trib, pre-mill advent of Christ, separated from apostate and heretical institutions. This is a Biblical mandate and the marching order give to every local church(s) on the face of this earth. (Matt. 28:18-20).

INDIA PERSICUTION

One of our ex-graduate of "**Shalom Baptist Bible College**" and an associate in church planting Ministry by name Pastor **Isaac** was brutally attacked during New Year celebration at his local church. At present he has be hospitalized and later he will be prosecuted for **conversion** . Yet he is recuperating. His family is shattered; please pray for Pastor Isaac and his family. **Hindu fundamentalist** seems to be the force behind it. Anti Christian attacks are up in India. The increasing numbers of attacks against Christians are undermining India's secular credentials.

Christians are accused of indulging in "**conversion activates and forced conversion** in Karnataka (our state). Vulnerable Christians are being regularly attacked with impunity. If you recall in March 2010 our son, associate pastor **Elijah** was attacked and physically assaulted. Whilst it is true that most of the attacks are from "**Saffron Brigade**" (Hindu extremists), linked to the Rashtrya Swayamsewak Sanga (RSS) which is a grate political party. The **strange behavior of the police** also seems to add fuel to the fire. Christians as **minorities** {2.7% only} is not getting any kind of help from the police or the government agencies. Each attack is considered as "**defender of Hindu faith**". The depth of the Hindu fringe network yet to be identified; money for funding the extremist group came from a major industrialist (Hindu) and non resident Indians who are settled in U.S.A. Media has documented between 2005-2010, about 1400 incidents of attacks against Christians alone by Hindu fanatics. **We have lost right to freedom of religion in our Democracy**. Please pray with us for this freedom and liberty to evangelize and plant New Testament churches across the land of India.

SHALOM BAPTIST BIBLE COLLEGE AND THEOLOGICAL SEMINARY

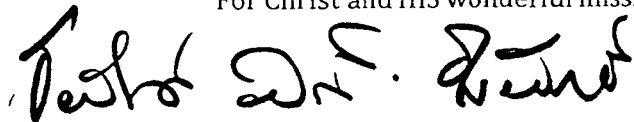

Is looking forward for the 21st graduation exercise on 3rd March 2011, preceded by three days Bible **conference on fundamentalism**. Please do pray for this event and the funds for this congress.
