### **NEED:**

#### **"SHALOM BAPTIST ORPHANAGE"**

Houses over 40 children; but we need more dormitories (each room measuring 30' x 30' would cost U.S. \$ 3000). Most of our children come from abusive and depraved background, even little girls are sold into prostitution by their poverty stricken tribal or cast parents, we are committed to rescuing such destitute girls, who are vulnerable for child trafficking and child abuse "Lo children are the heritage from the Lord " (Psalm 127:3) "But Jesus said suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven" (Matt.19:14); "And said, verily I say unto you. Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven" (Matt.18:3).

Our gratitude in supporting us; we acknowledge with thanks to your contribution in realizing the vision of the New Testament theology; together with God we can make a mission centered New Year 2018.
