Christ in Flesh.

As we reflect upon the **Incarnation** at this festival season of 2018, the vast and stupendous issue in the birth of the little child in the manger of Bethlehem and the historical fact is made known to us by the name **Emmanuel** - "God with us" and that God has come and dwelt among us as a divine gift. This divine name was imposed upon the child, it is **Incarnation** and so Emmanuel means that God took pity on our inability and came to dwell among us so that we might feel and know He was near to us and was one of us.

Incarnation marked God's condescension to our need and our weakness for God to come down to this sin - drenched; soaked and sorrowing world. And became one of us, "*The world (logos) was made flesh and dwelt among us*" John 1:14^A. **Emmanuel's** Union of God and man is unique act in human history of 6018 years. Gospel writer Mathew States "*Even as son of man came not to be minister unto, but to minister and to give his life a ransom for many*" (Matthew 20:26). No wonder the Angel sang on that Holy Night. *Glory to God in the highest and on earth peace (Shalom) and Goodwill towards men.* (Luke 2:14). May this festive season be a blessing to each one of you dear ones in the Lord. We will be forever indebted to your love and care. May our Lord bless you as you sow? Closing with new year wish 2019.
