October 2012

Dear Friends,

Thank you so much for your prayers and financial support. We are tthankful to be here and to continue working for the Lord.

Thank you for praying for Laura. She has continued to heal over the Summer without set-backs. You can hear strength as she plays the piano. She has been playing at the Thursday meeting, and returned to play at the Nursing Home on the second day of this month.

Please pray for Glen and his heart. I saw him when he was coming out of a three-day sleep. He made progress, but returned to the O. R. and then made slow progress. He is doing better now. He is Donna's Cousin.

Gilbert and Peggy have serious problems. Please pray for their healing, and salvation.

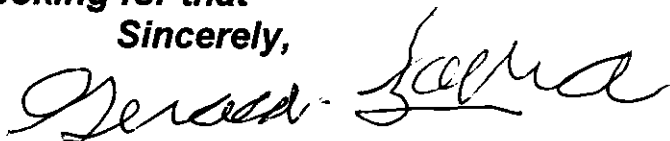

We had a man stop by to ask whether we thought about having painting done. We agreed that he should come on Saturday, when he painted for a couple of hours. I gave him fifty dollars. That next Sunday a couple who were on holidays came to the service, and gave fifty dollars for painting.

Nancy, who was hit by a car as she rode in her wheel-chair, breaking her leg in three places, still has the cast. She is not able to get out to church. I visit when I can.

We have had several visitors over the past weeks,. Ken brought Frank, who continues to come to the Sunday morning service. Linda comes to the Thursday meeting and brought Vere.

We mention you all in our prayers, and trust the Lord to bless as this year continues on; looking for that BLESSED HOPE;

Sincerely,

Gerald and Laura Mosher
